**DON'T DAIRY
WITHOUT IT!!**

**PULSATION IS ONE OF THE MOST
CRITICAL COMPONENTS ON YOUR DAIRY-
IS CHECKING IT ONCE A MONTH GOOD ENOUGH?**

24/7 PULSATION MONITORING

- Alarm diagnostics, not just a red light
- Easily adapts to all systems
- Ability to control the pulsator
- Monitors parlor performance
- Sends alerts to Dairyman automatically
- Helps manage employees

PULSNEXUS MONITORS
